## Paying It Forward

I am a HUGE believer in the "Pay It Forward" principle. I had previously listed the books listed below for sale, but now I would like to give these books away for FREE with the exception that the recipient pays for the actual cost to ship these books. I would prefer someone takes them all, and when they are finished with them, to, in turn, bless someone else with them. I live near the Pennsylvania/Maryland border, so it would be great if someone nearby could pick them up. The books are as follows:

Sten Ed Speedbuilding for Court Reporting Vol. 1  
Sten Ed Speedbuilding for Court Reporting Vol. 2  
Sten Ed Reporter on the Job  
Sten Ed Medical Q&A  
8,000 Soundalikes, Look-Alikes and Other Words Often Confused  
Stenograph Courtroom Testimony for Skill Development  
Stenograph Jury Charge for Machine Shorthand Practice and Dictation  
Computer Shorthand Speed Building and Realtime Transcription 3rd Edition  
Legal Terminology Fourth Edition (Gordon W. Brown)  
Black's Law Dictionary Seventh Edition

If interested, please e-mail me at [Doctorschoice@aol.com](mailto:Doctorschoice@aol.com) as I do not frequent this forum as much as I used to.
