
Convention

:laugh: What a wonderful turnout of membership at the 2008 convention! The committee is so pleased that so many of the evaluation forms were returned. We look forward to reviewing each and every one to aid us in planning next year's convention. I love this new forum where we can all connect. I plan to keep updated on emails in this thread to hear from the members concerning feedback about this year's convention as well as any comments or suggestions for future conferences. It was my pleasure to serve as the 2008 Convention Chair and look forward to seeing everyone again next year. :cheer:

Pam and Committee -

THANK YOU, once again, for putting on a tremendous conference in Harrisburg this past weekend. I heard nothing but positive feedback, which I'm sure the evaluation forms will reflect.

I think the committee already has a great plan for next year's conference, and we're pleased to have you and Candis return as co-chairs. I know there is an incredible amount of time and effort that goes into putting on our annual convention, and I think I speak for everyone when I say how much we appreciate what you and your committee have done and are planning for us next year!

Pam, Julie, the Board, and the entire convention committee deserve our thanks for doing such a great job with the convention. Your hard work and planning resulted in nothing but positive comments. Thank you very much, and I'll look forward to seeing everyone at the Regionals.
