A. George Michael Hubbard.

13

14

Q. You have been deposed before, have you not, sir?

15

A. I have.

16

17

Q. Okay. So I won't waste any time going over the ground rules of a deposition, but I will confirm that you understand you're testifying here today under oath just as if you were in front of a judge and jury?

A. Yes.

22

23

Q. And you are here as an expert on behalf of Siemens. Correct?
